

COOKIES POLICY FOR THE Lt LABSTATION SERVICE, CONTENT AND APPLICATION

The Lt LabStation Service (powered by KuraCloud) uses cookies to distinguish you from other users. This helps us to provide you with a good experience when you use the Service and also allows us to improve the Service. By continuing to use the Service you agree to the use of cookies.

A cookie is a small file of letters and numbers that we store on your browser or your computer if you agree. Cookies contain information that is transferred to your computer.

We use the following cookies:

- **Strictly necessary cookies** - enable the Service to operate efficiently so that visitors can navigate around with ease and use specific features. If these cookies are disabled, services that you subsequently request cannot be provided.
- **Analytical/performance cookies** - allow us to recognise and count the number of visitors and to see how visitors navigate the Service. This helps up improve the way the Service works, for example, by ensuring that users are finding what they are looking for easily.
- **Functionality cookies** - recognise you when you return and enable us to personalise our content for you, to greet you by name and remember your preferences (for example, your choice of language or region).

You can block cookies by changing the settings on your browser and refusing to accept some or all cookies. However, please be aware that if you choose to block all cookies (including strictly necessary cookies) you may not be able to access all or part of the Service.

Questions, comments and requests regarding this cookies policy are welcomed and should be addressed to our Privacy Officer at privacy@adinstruments.com.
